People are hungry for the gospel, we have seen many receiving Christ in their lives who are now being discipled.

Church planting and theological training are crucial needs in our congregations. Many pastors have only a primary school education but they are leading newly formed congregations. Some congregations are even meeting under the trees.

• CHURCH AND COMMUNITY TRANSFORMATION DEPARTMENT:

The population of Rwanda is 11,150,000 and 90% generate their income from traditional agriculture, 60% live under poverty line. The program goal is to mobilize the church and community to take care of Orphans and Vulnerable families and improve the quality of life by using the little resources they have. Integral Mission is the key of our main activities.

ACTIVITIES:

- Savings, OVC ministry, Trauma healing, HIV /AIDS, Water & sanitation, Church & community mobilization, Relief and disasters.

Rwanda is a country with a predominantly young population, more than 55% are under 18 years Old. The median age is "19".

Our history, pressures from globalization, unprecedented education and business opportunities, leave young people with an identity crisis and a lack of role models.

The vision: Envisioning and empowering congregations to be relevant to young people, maturing them to be Christians who shall make a difference.

Mission: Using available resources to set up a sustainable youth work that impacts young people of all walks of life for a lifelong walk with Christ.
